DIALOGUE AND PROCLAMATION

Reflection and Orientations on Interreligious Dialogue and the Proclamation of the Gospel of Jesus Christ Three Decades Later

Wednesday 19 May 2021

10:00 – 12:30 Rome Time

ABSTRACT:

Issued 30 years ago, Dialogue and Proclamation has offered milestone reflections and orientations prompting interreligious dialogue. The document states that interreligious dialogue and proclamation are “both authentic elements of the Church’s evangelizing mission” DP 77. In dialogue, Catholics reach out to believers of other faiths and religious traditions, interact with them, and collaborate for the building of a convivial and caring society. As they bear witness to their Catholic faith, they encounter other spiritual travelers and become aware that Truth is sought in a spirit of humility and mutual respect and leads to reciprocal understanding and acceptance. To celebrate the 30th anniversary of the Document, this Pontifical Council will hold a webinar on 19 May 2021, to ponder on its reception, impact and relevance three decades later.
